Experience and achievements

WEB DEVELOPMENT CODEATHON, 2022-2023

VIRUTSA, CHENNAI

FRONTEND DEVELOPER

Worked to develop a website as per to the problem statement provided. Worked with eleven other members to complete the project. Took care of the front-end development part of the project. (BOOTSTRAP)

SOLVEATHON 2023

SRI SAIRAM ENGINEERING COLLEGE,CHENNAI-44

We proposed a new idea with my other 2 members as per the SDG NO.9 Industry, Innovation and Infrastructure. The idea is well appreciated by the chief guest. We won the overall championship.

HACKRIOT, 2023

SRI SAIRAM ENGINEERING COLLEGE, CHENNAI

Worked in Figma design. The problem statement is to create a analysis for to choose the courses of their interest. This was my first Figma design and got the experience how to create.
